

QUICK BUILD CP-114

Epoxy Repair & Build-Up Compound (3K System)

Chemstuk Pty Ltd

1. Identification

Product Name: QUICK BUILD CP-114

Recommended Use: Epoxy repair and build-up compound for concrete

Supplier: Chemstuk Pty Ltd, Thomastown VIC, Australia

Emergency Contact: Poisons Information Centre 13 11 26 / Emergency 000

2. Hazard Identification

GHS Classification:

Skin Irritation – Category 2 (H315)

Skin Sensitiser – Category 1 (H317)

Eye Irritation – Category 2A (H319)

Signal Word: WARNING

3. Composition / Information on Ingredients

Part A: Epoxy resin

Part B: Amine hardener

Part C: Ceramic/mineral filler

4. First Aid Measures

Inhalation: Move to fresh air.

Skin Contact: Wash with soap and water.

Eye Contact: Rinse cautiously with water

for at least 15 minutes.

Ingestion: Do not induce vomiting. Seek medical attention.

5. Fire Fighting Measures

Suitable Media: Foam, CO₂, dry chemical.

Hazards: Combustible material at high temperature.

Protective Equipment: Self-contained breathing apparatus.

6. Accidental Release Measures

Contain spill.

Collect material mechanically.

Avoid release into drains.

7. Handling and Storage

Use appropriate PPE.

Avoid skin contact.

Store between 5–35°C in sealed containers.

8. Exposure Controls / Personal Protection

Wear gloves, goggles and protective clothing.

Use a respirator if ventilation is inadequate.

Exposure Limits:

Epoxy components: Refer to exposure standards

9. Physical and Chemical Properties

Appearance: Grey paste

Odour: Mild

Density: ~1.8–2.0 g/cm³

VOC: 0 g/L (Zero VOC, Solvent Free)

Flash Point: Not applicable (solvent free)

10. Stability and Reactivity

Stable under normal conditions.

Avoid strong oxidisers and heat.

11. Toxicological Information

May cause skin sensitisation and irritation.

Irritating to the eyes.

12. Ecological Information

Avoid environmental release.

It may be harmful to aquatic life in large quantities.

13. Disposal Considerations

Dispose of contents and container according to local regulations.

Do not discharge into drains.

14. Transport Information

Not classified as Dangerous Goods (mixed system).

Components may be classified individually.

15. Regulatory Information

Complies with Safe Work Australia GHS requirements.

16. Other Information

Issue Date: 2026

Revision: Chemstuk Standard
